Dear Sebastian Shek,

Loans for applicants requiring an MSFAA

On your Notification of Assessment you will find the 10 digit Master Student Financial Assistance Agreement (MSFAA) number that has been issued to you. The MSFAA is a formal legal contract between you and the provincial and federal governments. It explains what your responsibilities are, from application to repayment.

Within two to three business days of the issuance of your Notification of Assessment, which includes your 10 digit MSFAA number, you will receive a “Welcome Email” from the National Student Loans Service Centre (NSLSC). It will invite you to register for your online account with the NSLSC and complete your MSFAA.

The “Welcome Email” will be sent to you from info@msfaa-emafe.cibletudes-canlearn.ca, with a subject line of “Register now to set up your online account”.

Use the URL in the “Welcome Email” to register an account with the NSLSC so you can complete your MSFAA online, you will need to copy and paste this URL into a new browser window to start the NSLSC registration process.

What to do with your MSFAA number

Using your MSFAA number, you will complete a two-step process online to 1) verify your identity by registering your account with the NSLSC and 2) complete your MSFAA where you will be asked to accept the Terms and Conditions of the agreement. This two-step process will take approximately 20 minutes.

To complete this two-step process you will need to have the following information on hand:

- ☐ Your bank account information (Transit, Institution and Account number)
- ☐ Your Social Insurance Number (SIN)
- ☐ Your 10 digit MSFAA # as provided on your Notification of Assessment
- ☐ Date of Birth

IMPORTANT: This process must be completed in order to receive your funding.

If you have questions about the registration process, please visit:
